A. No landscaper or employee of a landscaper shall do or perform or cause, suffer or permit any of the following acts:

- (1) Operate any power or manual lawn mower or other power equipment earlier than 8:00 a.m. nor later than 4:30 p.m. on weekdays or at any time on Saturdays, Sundays or legal holidays; provided, however, that such equipment may be operated between the hours of 9:00 a.m. and 6:00 p.m. on Sundays and legal holidays if not more than one such piece of equipment is in use at any one time and such use is by a person who resides on the property where the equipment is being operated. Notwithstanding the aforesaid restrictions, leaf blowing activities may be performed on any Saturday in November prior to the Thanksgiving holiday of each year between 9:00 a.m. and 4:30 p.m. This subsection shall not preclude the operation at any time of such equipment as may reasonably be required in case of emergency conditions where the emergency reason is provided to the Village Building Department and approved as an emergency by the Building Department in writing.
- (2) Place or cause to be placed any garbage refuse, cuttings, leaves, wood or other materials upon any public highway or public property, except at locations and in a manner designated for such placement. All lawn cuttings, leaves and debris accumulated from real property located in the Village of Tuxedo Park must be removed by the permittee and disposed of at the permittee's own cost or composted on the customer's property pursuant to NYSDEC regulations.
- (3) Scatter or cause to be scattered any garbage, refuse, cuttings, leaves or other waste materials from the custody of such persons onto any public highway, public place or private property without the permission of the property owner.
- (4) Use any chemicals designated by the Village as not permitted, in accordance with Village Code §65-8.
- (5) Remove or top more than four (4) live trees over five inches in diameter, as measured 48 inches above ground, in any calendar year without approval from the Board of Architectural Review and a permit from the Board of Trustees.

Workmen trimming or pruning of low branches may be performed without a permit.
