Hi Elizabeth,

Thank you for the chat today! It was great talking about how we can help with ongoing website accessibility as well as just hearing a bit about your community! (When you figure out the name of your Mayor's dog, let me know. 😊 )

Here is some additional information:

- AudioEye Cost: \$4,165/year
  - o Many municipalities tell us it's like having an additional member of staff without having to pay them the staff salary.
- Benefits of AudioEye
  - o Hands off accessibility remediation. You don't need to do anything and you are covered.
  - o Legal protection in the event you get a lawsuit/DOJ complaint
  - o Accessibility certificate on the website
- Examples of New York municipalities that are CivicPlus website customers using AudioEye
  - o [Mamakating, NY](#)
  - o [Victor, NY](#)
  - o [Hamburg, NY](#)
- [City of Portsmouth, VA case study](#)

I'll send over a 15 minute meeting for Monday the 23<sup>rd</sup> at 3pm ET for us to connect on whether or not it passed. Please let me know if there is any additional information you need ahead of the October 19<sup>th</sup> City Council meeting.
