Re: Drinking Water (DW) Project No. 19020
East Village Water Main Replacement

Dear Mayor McFadden:

Thank you for your application to the NYS Water Infrastructure Improvement Act (WIIA) grant program. I regret to inform you that your community's project was not selected to receive an award during this round.

Your application was deemed acceptable, but unfortunately there was not sufficient funding available to reach the project. However, please note that your community may reapply for a grant in a future round of the program.

We appreciate your interest in the WIIA program. If you have any questions, please reach out to nyswatergrants@efc.ny.gov and reference your project number and WIIA in the subject line.

Sincerely,

David S. Phillips., P.E.

Drinking Water (DW) Project No. 19020
East Village Water Main Replacement
Water Infrastructure Improvement Act (WIIA) Grant Program

The Village of Tuxedo Park would like to proceed with SRF financing:

- even in the absence of a grant. If so, what date do you anticipate financing?
- only upon receipt of a WIIA grant.
