The Village just purchased a new steam machine. No need to rent one!

**Subject:** Regatta Oct 9

Mac and Tinka,

We have been working hard to have a single shell invitational regatta on the afternoon of Oct 9.

The Club approved this yesterday.

We are requesting permission to hold this event on our lake.

There will be 8 men and 8 women rowers.

We are planning to have a steam machine (Mike our Club very experienced rowing instructor is familiar with the process also used at other Clubs).

At least 4 will be Club stored shells.

Wanted to inform and request we can go forward.

Please advise or have any questions.

Regards,

Phil
