Hi Deirdre,

Could you send the info to the Village Mayor? I have cc'd the Village Clerk, Elizabeth Doherty.

My thought is that locations could be more of a landscape, not to include specific houses. The lake dams could be interesting. The Mayor would probably have more suggestions.

Subject: Plein Air

Michele, we have had artists ask if they can paint in the Park? Would it be possible to ask permission for a few (preselected) at pre-determined locations to participate this year?

We could offer a lottery to artists interested? Select 2-3 and get them passes to paint at specific locations within the Park?

If you think this is feasible, I can reach out to the Mayor? Or whoever?

Also, is there a mailing list or newsletter, facebook page? we can send a notice about the Artist's reception.

Safe travels, Deirdre
