Subject: Fixed Rate Offer for Electricity Supply From American Power & Gas id 267706
Importance: High

Good morning,

Thank you for speaking with me last Friday and allowing me to see what we could offer the Village for a fixed rate option for your electric supply currently on a variable rate.

PSE&G Electric Supply

\$0.1547 per kwh 12 Month Fixed Rate Offer

- *25% Green Energy Mixture*
- *All Inclusive supply rate and no hidden fees*
- *One utility bill*
- *blend and extend options available*

Please let me know what questions you may have or what you would like to do. Also, I would like to review your gas accounts to see what you are currently paying and if I can help.

Have a nice day.
