

Mayor David C. McFadden

Village of Tuxedo Park  
80 Lorillard Road  
Tuxedo Park, NY 10987

September 15, 2022

Dear Mayor McFadden,

The Wee Wah Fishing Club is respectfully seeking Village permission to stock Wee Wah Lake this fall. With Village approval (as per Article 17 of the License Agreement), and in compliance with our attached 2022 DEC stocking permit, we seek to stock the below species through Musky Trout Hatchery, a DEC-approved hatchery in Asbury, NJ.

- 100 brown trout (14-15")
- 100 rainbow trout (14-15")

Exact availability and price could not be guaranteed at this time, so any order may need to change by a minor degree. If approved, the stocking would take place in October or November, when lake conditions are favorable. Any changes and updates would be communicated.

Please let me know what further steps might be required to seek the necessary permission from the Village. The Club is excited at the opportunity to contribute to this recreational resource, and I am happy to discuss any questions you or anyone else may have.

Respectfully,  
Tom Fuller, President  
Wee Wah Fishing Club  
845-351-2893 (H)  
845-544-9486 (M)
