**Subject:** Wall on Turtle Point Road

Dear Mayor and Trustees,

As you know, there is a very high retaining wall on Turtle Point Road, which was clearly constructed when the road was put in many years ago. The Sonne property is above and goes to the wall. I have noticed recently that there are places in the wall that need repointing. I suggest that the Village engage a skilled mason to do this maintenance soon. If you don't have anyone in mind, and, if you will give me permission, I will hire such a person and contribute this to the Village. It may be getting too cold now, and if that is the case, then it should be done early in the spring.

Thank you.

Sincerely,

Sally

Sally Sonne
