

Welcome to the 2023 Season!

The 80-year Old Tradition of the Hamlet and Park Residents Socializing Together at the Wee Wah Continues.

This year we are pleased to announce new features at the WWP&BC, which have been paid for by donations and not taxpayer dollars. I want to thank the WWP&BC Committee, DPW, and John Ledwith for their dedication and hard work in helping us complete the 2023 features:

- We reclaimed over 20,000 sq. ft. of green space, replacing pebbles with grass.
 - We have removed all the dead trees and planted at least ten new flowering trees.
 - We have built a nature path around the lake and the DPW property border. New wood chips and a new granite stair distinguish the way.
 - We relocated two wooden benches along the path.
 - We built a new drop-off and pick-up driveway and five new handicapped spaces extending 1/3 into the facility. The new one-way road circles the Lavatory building.
 - We have purchased three pull carts to help you bring your coolers and towels to your spot.
 - After the party, we will complete this season's upgrades, which include repairing and painting the grills.
 - We are staining all the picnic tables.
 - We are painting the exterior and interior of the lavatory building.
 - We have built a new dock for launching watercraft, canoes, and the rowboat.
 - We are replacing the existing storage building with a brand-new cedar building.
 - We are adding a shelter structure for the check-in manager to operate from.
 - We have expanded and paved the parking lot.
 - We have added new WiFi so you can use your laptop and smartphone.
- We aim to offer you a place to swim, relax and safely enjoy your summer.

Thanks,
Village Mayor McFadden

Road Safety and Main Gate Procedure

What Hamlet Members Need to Know

Road Safety

Please drive slowly and carefully to the WWP&BC because we share the roads with many residents who are out jogging, cycling, or just taking a stroll.

In cooperation with the Village Police Department, we ask all Hamlet members to adhere to the following procedures:

- Please access the Village via the main gate. Follow Tuxedo Road to Lorillard Road and then bear left onto Wee Wah Road to get to the Beach.
- Please observe a 20 mph speed limit.
- Please do not drive on other Village roads or litter.

We appreciate your cooperation.

Main Gate Procedure

The Village has a new way to enter the main gate. We purchased an automatic license plate reader that automatically scans your vehicle plate and opens the main gate for you.

The cost is \$9.95 for multiple vehicles included in your membership). Register your car and purchase your pass at <https://www.tuxedopark-ny.gov/vehicle-registration>. You will be denied access without it.

Lastly, on your first trip through the main gate, please have every member with a driver's license submit a copy of it to the police officer in the booth. We appreciate your cooperation.

Parking

Additional Parking Area

Because we anticipate additional parking spaces to be needed, we have created a spillover parking area in the DPW parking lot.

There is direct walking access from the spillover DPW lot to the Park and Beach.

To reach the new parking lot, continue past the WWP&BC parking area and proceed to make your first right turn.

You reach an open area on your right-hand side. Please park your vehicles on the part of the lot closest to the Wee Wah Park & Beach Club.

The Town Camp buses are prohibited to enter the park. Buses must proceed directly to the DPW parking lot and discharge and pickup campers there only.

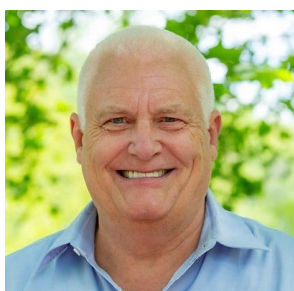

Team DPW and John Ledwith. Thank you for caring for our Park and Beach

What do I Need to Know About the Park's Hours of Operations 2023 Summer Season

Mayor David McFadden. Jill Swirbul Photography © copyright protected.

This summer, the Park is open from sunrise to sunset, although you can visit the Park up to 11:00 PM if you respect our Village's noise and light ordinances.

Whom and when one can use the Park, and when one can swim fall into two buckets.

- 1) Village residents with and without Club Membership.
- 2) Grandfathered Hamlet Members from 2019

Non-Member Village residents may use the Park from sunrise to 1:00 PM and after 8:00 PM to 11:00 PM. Swimming during these times **is not permitted** because there is no lifeguard on duty.

Non-Members Village residents must vacate the facilities by 1:00 PM daily so that paid members may have full use of the facility between 1:00 PM and 8:00 PM.

Village Residents who have purchased a membership may use the Park from sunrise until 11:00 PM and swim between 1:00 PM and 8:00 PM when the lifeguard is on duty.

2019 grandfathered Hamlet Members may only use the Park between 1:00 PM and after 8:00 PM.

The only time swimming in the lake is allowed (unless you own waterfront property or are their guest on the Wee Wah Lake, or are a member of the Long Distance Swim Club) is between 1:00 PM and 8:00 PM when the lifeguard is on duty. No swimming beyond the roped area for Members.

*Note that weekday lifeguards do not start until school is out. These days there is no lifeguard on duty: June 1-2, June 5-9, and June 12-16.

Membership Season & Hours

The 2023 summer swimming season, for members only, opens this Saturday, May 27th at 1:00 PM, and the season closes on Monday, September 4th at 8:00 PM.

As the season progresses, we will arrange for food truck services and musical entertainment during swimming hours of operation.
