June 14, 2023

Dear Members,

We hope this message finds you well.

As we settle into our routine and enjoy the warmer days ahead, we encourage you to take full advantage of the amenities and activities available. Whether it's a stroll by the lake, a refreshing swim, or simply relaxing on the beach, we hope you have a memorable and enjoyable experience at the park and beach club, including morning classes by Yogi Alvin. Please get in touch with contact Yogi Alvin to schedule a session at [alvinrodolfo@gmail.com](mailto:alvinrodolfo@gmail.com).

We are pleased to inform you that the DPW has finished the installation of the new storage shed. It will serve as additional lifeguard storage and a place to store our free water toys. We have attached a few pictures for you. Thank you for cooperating with our carry-in carry-out policy, ensuring that we maintain a clean and litter-free environment for everyone and could ditch the ugly tin garbage cans. Remember to sign in with your guests at the sign-in book in the new shelter at the park entrance.

Remember that you must register the name of your guests with Denise, M-F, at (845) 351-4745, Ext. 4, or [dspalthoff@tuxedopark-ny.gov](mailto:dspalthoff@tuxedopark-ny.gov) during the week for admittance at the front gate.

Thank you for your ongoing support and participation in making our community vibrant and welcoming. Please do not hesitate to contact us if you have any questions, suggestions, or require further assistance.

We wish you a great day filled with happiness and relaxation.

Warmest regards,

WWP&BC Committee
