NEWS

Good Morning Members,

As many of you know we did not have lifeguards yesterday. They will be there today, but I must share that the reason they left the job yesterday is that they felt like some members were not following safety instructions. Please note that it is required to follow the instructions of the lifeguards, or as in the past years, you jeopardize your membership without a refund. We are also seeking an adult manager for Saturdays and Sundays, and possibly during the week. Please send us an email at wwp@tuxedopark-ny.gov

In addition, please do not park inside the gate other than to unload and load your car. Exceptions to this rule include seniors and the handicapped. The rule will be enforced.

Thank you,

Mac

Subject: Parking at the Wee Wah Park & Beach Club

Dear Members,

It is a beautiful day.

We have two member parties today and there will be a lot of kids running around.

Which leads me to the following. We ask that you do not park inside the gate / Park unless you are a senior or handicapped. Please use the parking lot for unloading and loading only. If the main parking lot is full, after you unload, there is a spillover parking lot just past the main parking lot using the entrance to our DPW building. From there is a direct path into the Park that enters at the Lavatory and storage building.

Lastly, this is a reminder to sign in yourself and your guests at the table abutting the beach.

Thank you!

Mayor Mac
